

User Instructions for The Social Meet web application

To Join or Create a Chat Room, you must be logged in.

You can Login via the  button in the top right corner of the screen. You can also select “Message Boards” or “Video Rooms” and you will be prompted to login as well.

Joining a Text or Video Chat Room

From localhost:3000:

1. Click the icon/button for the room you wish to join (Message Boards and Video Rooms are the only current options)
 - a. A login window will appear.
2. Enter a username into the “username” field.
 - a. Click “Login” or hit enter.

For message boards:

3. Introduce yourself from the message field at the bottom of the message window.
 - a. Click “Send” or hit enter to post your message.

For video rooms:

4. Smile at the Camera and say Hi!

Creating a new Text or Video Chat Room

From localhost:3000:

1. Decide on a name for your new chat room.
 - a. For this example we will name our room “Tardis”

For message boards:

2. Type /chatroom/newName immediately after “localhost:3000” in the address bar.
 - a. The address for our example would be:
`http://localhost:3000/chatroom/tardis`
 - b. A login window will appear
3. Enter a username into the “username” field
 - a. Click “Login” or hit enter
4. Introduce yourself from the message field at the bottom of the message window.
 - a. Click “Send” or hit enter to post your message

For video rooms:

5. Type /videoroom/newName immediately after “localhost:3000” in the address bar.
 - a. The address for our example would be:
`http://localhost:3000/videoroom/tardis`
 - b. A login window will appear
6. Enter a username into the “username” field
 - c. Click “Login” or hit enter
7. Smile at the Camera and say Hi!
